New Business Models Challenge IP

LES Scandinavia is more than happy to welcome you to the 2018 annual conference of LES Scandinavia. The theme of this year's conference is how **new business models interact with, and challenge IP systems**. LES is offering you this exciting opportunity for the thorough exchange of experience and ideas in this important field.

The conference will take place at Hotel Scandic Anglais in Stockholm, Sweden. Scandic Anglais is located right by the lively Stureplan in the very heart of Stockholm.

LES Scandinavia would like to invite you to mark your calendars today and look forward to welcome you to Stockholm in September 2018.

More information and a full invitation will be sent to you during this spring.
