**Please note that the by-laws of LES Scandinavia include a provision with the following wording:**

By becoming a member of LES Scandinavia, you accept that your name, address details, e-mail and other specific facts relating to your membership and your professional activity are included and stored on electronic media and online as well as in membership registers and printed publications held or issued by LES Scandinavia or its parent organization LES International. You further agree that these societies may use such information for professional mailings relating to transfer of technology and intellectual property.

You will receive a confirmation of receipt of your application form together with an invoice for the first year's fee. After receipt of your payment your name will appear in the Membership Database of LES Scandinavia and LES International. You will also receive *les Nouvelles*, the quarterly issued international technology transfer and licensing magazine.

Becoming a member after 1<sup>st</sup> September means that your first fee also covers the year 2012.  
Resignations should be received in writing (fax, e-mail) before the 31<sup>st</sup> of December.
