**Notable Society Activities / Educational Events during the past year:**

*(please include the date, purpose and number of attendees)*

Due to the pandemic no events were organized in 2020.

We have now joined forces with other Latam societies and have scheduled a joint event for May 11, 2021. It will be a panel entitled "Innovation in Latam in Covid times" with the participation of representatives of different companies domiciled at the different countries. Les Argentina has invited Gloria Montaron Estrada from Bioceres S.A. to participate in the panel.

**Please List Your Professional Committees (e.g., Education, Life Sciences, Transportation):**

**Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA?** If so, please provide a contact for each.

**How can LESI or other LES Societies further support you?**

Due to the high inflation process Argentina has been undergoing for the last years, the collection of fees has become increasingly difficult. We have seen member numbers dwindle and fear that the current economic crisis will continue to impact on Les Argentina's figures. We wonder if it would be possible to enjoy a temporary discount on the fees until 2022 and then review the situation to agree on how to move forward.
