## SOCIETY ACTIVITIES

---

**Date and Location of Next Annual General Meeting (AGM):** An AGM was just held (on April 26, 2021); The next AGM will be held in 2022 (the specific date has not been set yet).

**Notable Society Activities / Educational Events during the past year:**

*(please include the date, purpose and number of attendees)*

Due to the Covid-19 pandemic we did not held any in-person activities. Rather, we encouraged our members to participate online in the many beneficial activities organized by LESI and other LES Societies worldwide. We are currently resuming efforts in planning our own next society activities and educational events.

**Please List Your Professional Committees (e.g., Education, Life Sciences, Transportation):**

**Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA?** If so, please provide a contact for each.

*LES Israel currently does not have plans for YMC.*

*LES Israel is interested in becoming more involved in WILA. Please contact Dalit Sagiv in this matter ([dalit@sagiv.law](mailto:dalit@sagiv.law))*

**How can LESI or other LES Societies further support you?**

It would be great if LESI and LES Societies worldwide will continue to share educational contents and enable our members to participate online in their seminars, at no cost (or at a significantly reduced rate for group registration).

Also, as outlined in our previous reports, LESI can assist by:

- (i) Encouraging keynote speakers to arrive to Israel and lecture at LES Israel meetings;
- (ii) Sponsoring certain activities in Israel such as conferences and courses (e.g.: international/regional conferences, "Train the Trainer" program, licensing courses), etc.;
- (iii) Increasing awareness to LES Israel, including by way of holding LESI International and/or regional meetings like LESI Winter Planning, LESI International/regional Annual Meeting, LESI IMDM in Israel (when we return to face to face meetings).
