

LESI "Ask Me Anything" Sessions (2023)

Session #1: LES Britian & Ireland (September 28)

Session #2: LES Andean Societies (October 26)

Session #3: LES Singapore (November 30)

DISCLAIMER

I am a member in good standing of an LES Society and would like to take part in the real time audio/video workshops which are intended to provide general information on IP and licensing in a number of jurisdictions globally.

I understand that during my participation in the workshops I will be able to ask general questions of the panel relative to the subject matter of the workshop and join the discussion.

I agree that I will not at any time during my participation in the workshops mention the name of any client or other identifiable third party (other than the name of my employer if I want to identify myself) and will limit my questions to general queries and not specific issues.

I agree that, unless otherwise agreed in writing, I will participate alone and not invite anyone else to join the call with me other than other LES members who have signed and returned this same disclaimer.

I confirm that I will not make any recording of the workshop(s).

By agreeing to and accepting this disclaimer, I also acknowledge and agree that any information provided by the panellists (and other participants) during the workshop sessions will be for general information purposes, is not legal advice, and will not be relied on by me for legal advice or for any purpose. I also acknowledge that the Licensing Executives Society International and the National and Regional Licensing Executives Societies and their officers and directors are not providing any information and I will not hold them responsible in any way for the information that is provided.

***** Participants must agree to these terms in the Zoom Registration form.***
