The LESI Life Sciences Committee would like to invite you to their first virtual networking event for 2023 which will be held just prior to the virtual panel discussion hosted by Anna Gregson entitled [The current landscape in ATMP – IP, partnering, funding and more!](#)

AGENDA

1. **Introductions**
2. **Proposed dates and topics for virtual meetings for 2023**
3. **Proposed content for *Les Nouvelles***
 - 3.1. *Les Nouvelles* is still provided as a paper version as well as being on-line and is a quarterly publication
4. **Engagement with National LES Chapters, including for sharing content and news with the LESI Life Sciences Committee members**
 - 4.1. We are interested in obtaining content that has been produced for/by National Chapters that can be included on the LESI Life Sciences web page
 - 4.2. We are looking for volunteers from National Chapters to be responsible for liaising with Joanne or Richa to upload such content to the LESI Life Sciences web page
 - 4.3. We are looking for members who are also part of other LESI Committees to consider possible collaborative events for cross-cutting topics.
5. **Suggestions for networking and content to Life Sciences members**

5.1. LESI AGM, Montreal, 30 Apr – 02 May 2023

- 5.1.1. The LESI Life Sciences Committee has organised an exciting panel discussion for Monday May 1, 11:00-12:30 entitled “Navigating the Deep Tech frontier in life sciences innovation”.
- 5.1.2. There will also be an LESI Life Sciences Committee in-person meeting at the AGM. The details will follow.

5.2. The link to join the LESI Life Sciences Committee page is accessed through connect.LESI.org where you will need to login and can then join the committee page and post content, access content, and chat with other members.

5.3. We invite members to send through “snippets” for the LESI Life Sciences web page that highlight topical issues in short form that are of interest, but don’t warrant a full article/event.

6. Other items that might be of interest
