les Nouvelles Covers

Our plan is to rotate the globe a quarter turn with each issue. The current view on the cover will be presented in every September issue of the Journal. We have worked hard to be sure that no country is slighted as we move around the globe. For your reference, the graphics below represent our view of the LESI globe each quarter.

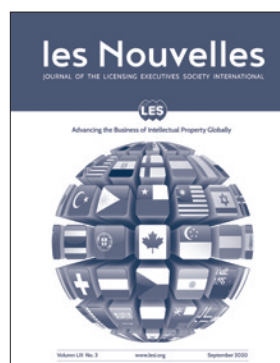

Publications Committee - Bruno Vandermeulen and Russell Levine, Board Liaison, and David Drews, Editor@lesi.org.
