

Back-to-School - Studying the Industry-University Pandemic Response is a free webinar organized by the Licensing Executives Society of the Philippines (LES Philippines) in collaboration with the University of Santo Tomas (UST), Sanofi Pasteur, Inc., and Fortun Narvasa and Salazar (FNS).

Acad. Prof. Maribel Nonato, Ph.D., Vice Rector for Research and Innovation of UST will talk about University R&D to combat COVID-19 and while **Dr. Jean-Antoine Zinsou, M.D.**, General Manager of Sanofi Pasteur, will give an update on his company's initiatives in fighting the current pandemic and leveraging the pharmaceutical's expertise in vaccine development.

LES Philippines is a non-profit association of professionals engaged in the commercialization of intellectual property rights. LES Philippines a member the Licensing Executive Society International, an umbrella organization of national and regional associations for licensing executives that informs and interacts with global organizations and policy forums concerning the economic significance and importance of licensing and other transfer of technology and intellectual property rights.
