The webinars are usually attended by around 20 participants, the local conferences have around 50 participants.

Please List Your Professional Committees (e.g., Education, Life Sciences, Transportation):

N/A

Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA? If so, please provide a contact for each.

As our Society is rather small, we do not plan now to organize YMC or just women-orientated events.

How can LESI or other LES Societies further support you?

We have been cooperating with LES Austria and LES Hungary on regular basis, further cooperation within Europe on the Presidents' level seems to be also working well.
