2024 LES Society Fact Sheet

Thank you for providing us with an updated LES Society Fact Sheet. This information helps us share your annual activities with the LESI Board and the Membership Committee. We have also asked for (optional) data on your members (while helpful, we appreciate that not all societies might have this data).

COMMENT:

SOCIETY ACTIVITIES

Date and Location of Next Annual General Meeting (AGM): The specific date has not been set yet

Notable Society Activities / Educational Events during the past year:
(please include the date, purpose and number of attendees)

LES ISRAEL organized the LESI 2023 Pan-European Conference (<https://les-israel2023.org/>) which was to take place on 9-11 October, 2023. The event was cancelled due to the war that erupted following Hamas terrorist group attack on Israel on October 7, 2023.

Please List Your Professional Committees (e.g., Education, Life Sciences, Transportation):

Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA? If so, please provide a contact for each.

LES Israel currently does not have plans for YMC and WILA.

How can LESI or other LES Societies further support you?

It would be great if LESI and LES Societies worldwide will continue to share educational contents and enable our members to participate online in their seminars, at no cost (or at a significantly reduced rate for group registration).

Also, as outlined in our previous reports, LESI can assist by:

- (i) Encouraging (keynote) speakers to arrive to Israel and take part at LES Israel meetings and conferences;
- (ii) Sponsoring certain activities in Israel such as conferences and courses (e.g.: international/regional conferences, "Train the Trainer" program, licensing courses), etc.;
