**Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA?** If so, please provide a contact for each.

*LES Benelux has a very active YMC. The Young members organize online and live events and play an active role in the international YM*

*Our society has WILA Ambassadors and we frequently disseminate their events announcements*

*In 2024 LES Benelux starts a mentorship program for Young members.*

## How can LESI or other LES Societies further support you?

*Improving website and facilitating post of regional society news as well as to access to information such as surveys, etc. Contact with LESI support staff is quite good and helpful, but the site is not very user friendly. Hence, having an improved site where members can navigate easier to find what they look for will be of support to the regional societies as well.*
