

How Does the UPC Impact Licensing and Litigation?

Date: October 16, 2024

Time: 3:00 p.m. CET

Location: Online

Join us for an insightful webinar organized by the LESI Patent & Technology Licensing (PTL) Committee, exploring the impact of the Unified Patent Court (UPC) on licensing and litigation one year after its launch. This event will bring together leading experts to discuss the practical implications of the new system for both patent owners and implementers.

The webinar will be moderated by **Mr. Spyros Makris**, IPR Policy Manager at Ericsson and Co-Chair of the LESI PTL Committee, alongside **Mr. Roberto Dini**, Founder of Sisvel and Metroconsult and former PTL Committee Chair.

Following a brief introduction by **Mrs. Marina Tavassi**, Of Counsel at BonelliErede and former President of the Milan Court of Appeal, attendees will gain valuable insights on the new European IP landscape from **Mrs. Sophie Pasquier**, Senior Director - Principal Intellectual Property & Licensing Counsel at Philips, and **Mrs. Pippa Wheeler**, Senior Litigation Counsel at HP Deutschland GmbH.

Agenda

3:00 p.m. - Opening Remarks

- **Spyros Makris**, IPR Policy Manager at Ericsson and Co-Chair of the LESI PTL Committee
- **Roberto Dini**, Founder of Sisvel and Metroconsult

3:05 p.m. - Introduction to the New Unitary Patent System

Speaker: Marina Tavassi, Of Counsel at BonelliErede and former President of the Milan Court of Appeal

- Overview of the Unified Patent Court (UPC) and Unitary Patent (UP)
- Impact of the system across Europe
- Key observations one year after its launch

3:20 p.m. - Panel Discussion: How Does the UPC Impact Licensing and Litigation?

Panelists:

- **Sophie Pasquier**, Senior Director - Principal Intellectual Property & Licensing Counsel at Philips

- **Pippa Wheeler**, Senior Litigation Counsel at HP Deutschland GmbH

Topics to be covered:

- Should new patents opt for the UP system? Considerations of cost, scope of protection, and opt-out strategies.
- Will licensing agreements require adaptations?
- Will the UPC emerge as the go-to jurisdiction for global disputes?
- Pros and cons of the UPC in terms of cost, speed, scope, central revocation, and remedies (e.g., injunctions, damages).
- Why the UPC might be chosen over other jurisdictions like the UK, US, or China, especially for Standard Essential Patents (SEPs)?

4:00 p.m. - Q&A

Why Attend?

This webinar will provide valuable insights for IP professionals, patent owners, and implementers alike. Attendees will benefit from the firsthand experiences and perspectives of industry leaders, ensuring a comprehensive understanding of the UPC's evolving role in European and global IP law.

Register Now to secure your place and stay ahead of the curve on how the UPC is reshaping the landscape of licensing and litigation.
