Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA? If so, please provide a contact for each.

While we welcome such initiatives, we believe it is best to leave decisions on how to implement them to the officers who will be elected later this year.

How can LESI or other LES Societies further support you?

It would be great if LESI and LES Societies worldwide will continue to share educational contents and enable our members to participate online in their seminars, at no cost (or at a significantly reduced rate for group registration).

Also, as outlined in our previous reports, LESI can assist by:

- (i) Encouraging (keynote) speakers to arrive to Israel and take part at LES Israel meetings and conferences; We find it difficult to persuade speakers, from abroad to Israel to attend one of our events, allegedly, due to the on-going war in Israel. It would be great if LESI officers will lead the way and come to speak. Topic will be coordinated with the speakers.

Currently air traffic to and from Israel is scarce due to the Iran war in the region. We hope that things will calm down in the foreseeable future which will allow relatively safe travel.

- (ii) Sponsoring certain activities in Israel such as conferences and courses (e.g.: international/regional conferences, "Train the Trainer" program, licensing courses), etc.;
