How can LESI or other LES Societies further support you?

As LES Korea is hosting the **2026 LESI APAC Conference** in Seoul (October 25-26), we would greatly appreciate it if LESI and other national societies could actively promote the event to their members. Specifically, we seek support in: 1. Distributing our '**Call for Speakers**' to identify high-level experts. 2. Encouraging global firms to explore our **Sponsorship Packages** (Diamond, Platinum, and Gold tiers). 3. Sharing the event details through your official newsletters and social media channels.
