SOCIETY ACTIVITIES

Notable Society Activities / Educational Events during the past year: *(please include the date, purpose and number of attendees)*

LESI YMC Asia-Pacific Conference

Date: 25 April 2025

Number of attendees: approx. 80

In the recent term, the Licensing Executives Society Malaysia (LESM), together with the LESI Young Members Congress, proudly co-organised the LESI YMC Asia-Pacific Conference on 25 April 2025. We gathered at the Asian International Arbitration Centre (AIAC) for a full-day event which saw over 80 local and foreign participants under the theme: "Asia and the Digital Age: Connectivity, Innovation, and Global Impact". The morning kicked off with welcoming remarks by LESI President, Ms Sonja London, LESI YMC Chair, Mr Roberto Carapeto and then LESM President, Mr Joshua Teoh, followed by the keynote speech by the director of AIAC, Dato' Mary Lim.

The program continued with four (4) moderator-led panel sessions and after the sessions, LES members and sponsors were treated to a sunset rooftop cocktail reception overlooking the Kuala Lumpur landscape followed by a post-conference dinner of local peranakan cuisine for all participants.

Rise, Shine & Serve (Pickleball Sports Activity)

Date: 6 November 2025

Number of attendees: approx. 15

To facilitate cross-border engagement and knowledge exchange among IP and licensing professionals, while promoting LES Malaysia as a vibrant hub for collaboration through a unique blend of sport and networking.

Please List Your Professional Committees and primary contacts for each (e.g., Education, Life Sciences, Transportation, Branding):

Not Applicable

Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA? If so, please provide a contact for each.

YMC – yes, representative is Alyshea Low (alyshea.low@skrine.com)

WILA – Alyshea is currently a WILA mentor

How can LESI or other LES Societies further support you?

LES Malaysia would benefit from stronger collaboration with LESI and other societies through joint programmes, speaker exchanges, and shared resources to enhance member engagement. Support in membership growth, particularly in attracting young professionals, as well as access to training, certification, and mentorship opportunities, would further strengthen our community.
