No special committees, as we are too small for that.

Does your society have (or plan to start) a Young Members Congress (YMC)? Would your Society be interested in becoming more involved in WILA? If so, please provide a contact for each.

We just started a YMC in February with a first event and announced others to follow.

I understand that there are already contacts between Swiss board members and WILA.

How can LESI or other LES Societies further support you?

Advertise our events via the LESI mailing, as before.
